All are welcome!

From the Principal

22 January 2024

Dear parents and carers,

It's great to be back for another school year! Thank you for your support to have students ready for a great start today.

Exciting news!

Our school will receive a school hall this year! During the break I was informed by the facilities team in Central Office that a budget has been allocated for the building of a school hall in 2024 with the planned completion due for this time in 2025. If you attended our Awards and Concert evening last year you will know that we really need this facility. At this time we really need your support please. The building and design plans are in the final stages before they are sent to contractors. School community feedback is needed and at very short notice. This coming Thursday, 25th January at 5.30 pm we need as many of our parents/carers, teachers and support staff to gather to consider and comment on the proposed plan. Please send someone from your family for this important meeting.

Welcome new staff members

We welcome Miss Scott teaching Year 1 along with Chappy Phil coming into our school each Wednesday and Thursday in support of all students. We have a new cleaner also, Mr Dylan Cougar. It's great to have a full team to start the year.

Swimming

In such hot weather it would be great to be in the pool however we need some time to settle in before we can arrange the program. Swimming begins in week 3 and is compulsory for all students except where parent/carer withdrawal is requested in writing. Please send me an email or note if you wish your child/ren to opt out of swimming.

Classes are draft

The Department of Education provides 8 days for parents/carers to return their children to school. During this time our classes are in draft and are subject to change. Thursday, 1st February is the date for class confirmation. If we have any changes needed for classes, I will be in contact with families through a letter sent home with impacted students. Thank you again for supporting the return to school process.

A great start!

A lovely event happened today when we were visited by a past student who was celebrating 50 years since he started school at Toowoomba North. Great to have Mr David Fredericks pop into the office today.

Certainly, it's fantastic to be back to another school year.

Please let me know if you have any concerns, questions or feedback. My direct email is klitt53@eq.edu.au or I can be contacted by phoning the school office on 07 4617 8333.

Kind regards,
Kaarin Littleton

OUR TUCKSHOP

Our Tuckshop is run entirely by volunteers. Your involvement is always welcome and appreciated. Please get in touch with our friendly Tuckshop staff about how you can help out! We aim to offer quality & affordable choices that your children will enjoy.

HOW TO ORDER

All orders need to be placed by 9am at the Tuckshop window which is located underneath the main building (A block). Orders are to be given to the Tuckshop staff, written on a paper bag or in a ziplock bag. We provide paper bags if required. A separate bag is required for first break (main lunch break) and second break (afternoon tea). EFTPOS facilities are available.
